

Uploading Photos to eDesign

1. Be organized
2. Take lots of pictures
3. Give yourself lots of **time** before class ends to take your photos OFF the camera and ON your OneDrive.
4. Go through your pictures carefully before uploading
5. Only upload your **BEST** pictures to eDesign.
6. Do **NOT** use pictures that are blurry, yellow, have flash spots, etc.
7. Do **NOT** upload **duplicate or similar** pictures.
8. **Tagg** all photos you upload.
