Login

Username

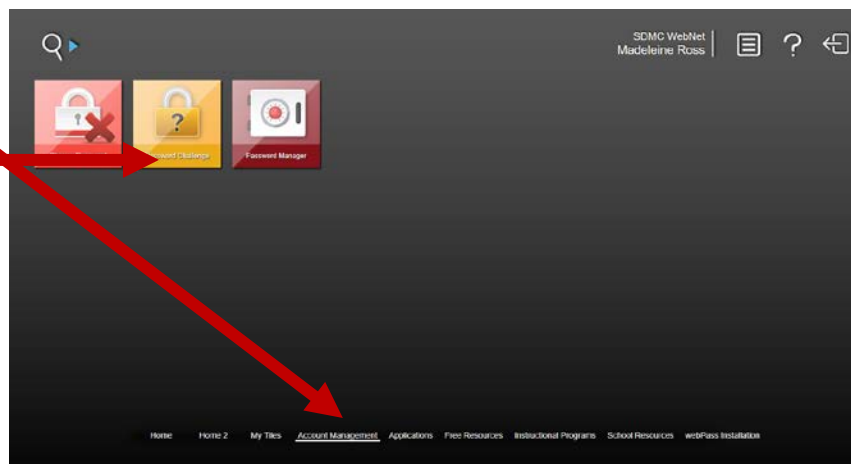

Password

Log In

3. Type in Username (Student ID #) and Password, click Log In.

4. Click on the Account Management link at the bottom of the screen

5. Click on the Password Challenge button

6. If you have already answered the challenge questions, your answers will show up in red, *if not, choose 2 questions from the pull down menus and answer them appropriately.*

7. Click Update Configuration

8. Click the X when done.

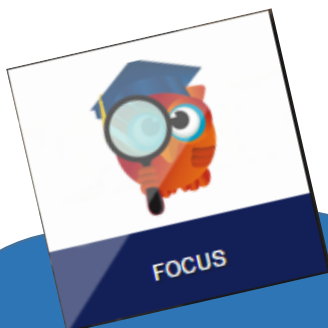

The screenshot shows a web browser window with the URL <https://webnet.manateeschools.net/secure/SecureCloudAccessProfile/FinishLogin.jsp>. The page title is "Password Challenge". Below the title is a "Password Reset Configuration" section. It contains a "Challenge Questions" table with two rows. The first row has "Question 1:" with a dropdown menu showing "What is your mother's maiden name?", "Answer 1:" with a red error message "For security purposes, your saved answers are not being displayed.", and an empty answer field. The second row has "Question 2:" with a dropdown menu showing "What was your high school mascot?", "Answer 2:" with a red error message "For security purposes, your saved answers are not being displayed.", and an empty answer field. At the bottom right of the form is an "Update Configuration" button. A red arrow points from the "Update Configuration" button to the "X" close button in the top right corner of the browser window.

Challenge Questions	
Question 1:	What is your mother's maiden name?
Answer 1:	For security purposes, your saved answers are not being displayed.
Question 2:	What was your high school mascot?
Answer 2:	For security purposes, your saved answers are not being displayed.

Update Configuration

9. Click on the HOME link at the bottom and start exploring WebNet.
